**STATEMENT THAT DELAY WAS UNINTENTIONAL UNDER
37 CFR 1.137 (b)(3)**

15 Dear Sir:

Pursuant to 37 CFR 1.137(b)(3), the applicant's attorney, W. Bradley Haymond, states as follows: "The entire delay in filing the response to the Office Action of October 23, 2004 by the extended due date of February 23, 2003 was unintentional. The failure to file the response on the due date was entirely due to the fact that the Office Action was not on the Mail Log in the company's docketing system and I therefore never received notice that the Office Action had been sent. The petition to revive was not prepared until after the Notice of Abandonment was issued."

25 The above statement provides all the necessary information to show that the entire delay in filing the response to the Office Action until the present filing was unintentional.

Respectfully Submitted,
